PROFESSIONAL SUMMARY

Creative and detail-oriented Graphic Designer with 3 years of professional experience working across agencies, in-house teams, remote environments, and freelance projects. Experienced in developing impactful visual concepts and designs for brands, social media, digital campaigns, and marketing materials. Strong ability to translate ideas and marketing objectives into clear, engaging, and visually consistent designs. Proficient in Adobe Photoshop, Adobe Illustrator, and AI Tools, with additional knowledge of UI/UX and Digital Marketing. Adaptable, collaborative, and always focused on delivering high-quality creative solutions that support brand identity and business goals.
